Mr C.W.Rife,

Swift Current, Sask.

Dear Mr Rife,

After considering all the applications that have reached me for graduate fellowships I have decided to recommend to the Senate of the University that one be awarded to you for the forthcoming session in the Department of Political Science. This recommendation will not be acted upon until after the middle of September, but I have no doubt that it will be adopted and though you should not make final arrangements for coming until after you hear from me again, you may shape your affairs with a view to coming.

This fellowship will be only for one year. Its renewal is contingent upon several conditions which I cannot here enumerate.

With kind regards I am yours sincerely,

1917
